

# Intelligent Systems: Reasoning and Recognition

James L. Crowley

ENSIMAG 2 and MoSIG M1

Winter Semester 2016

Exercise 4

4 March 2016

## Baye's Rule

Explain Baye's rule for someone who has no mathematical training.

What is it?

How is it used?

Under what circumstances will it give incorrect results?

Can Baye's rule be used with symbolic features such as hair color or nationality?
