

# Intelligent Systems: Reasoning and Recognition

James L. Crowley

ENSIMAG 2 and MoSIG M1

Winter Semester 2017

Exercise 4

3 March 2017

## Bayes Rule

Explain Baye's rule for someone who has no mathematical training.

What is it? How is it used?

Can Baye's rule be used with symbolic features such as hair color or nationality?

Under what circumstances will Bayes Rule give incorrect results?
